

Magic Numbers, The "I See You, You See Me"

Visit "[I See You, You See Me](#)" on MotoLyrics.com

I never wanted to love you, but that's okay
I always knew that you'd leave me anyway
But darling when I see you, I see me

I asked the boys if they'd let me go out and play
They always said that you'd hurt me anyway
But darling when I see you, I see me

And it's alright
I never thought I'd fall in love again
It's alright
I look to you as my only friend
It's alright
I never thought that I could feel there's something
Rising, rising in my veins
Looks like it's happened again

I never thought that you wanted for me to stay
So I left you with the girls that came your way
And darling when I see you, I see me

I often thought that you'd be better off left alone
Why throw a circle round a man with broken bones
But darling when I see you, I see me

It's alright
I never thought I'd fall in love again
It's alright
I look to you as my only friend
It's alright
I never thought that I could feel there's something
Rising, rising in my veins
Looks like it's happened again

You always looked like you had something else on your
mind
When I try to tell you, you tell me "nevermind"
But darling when I see you, you see me

I wanna tell you that I never loved anyone else
You wanna tell me that you're better off by yourself

But darling when I see you, you see me

Oooh, oo-oo-oooh...

This is not what I'm like, this is not what I do

This is not what I'm like, I think I'm falling for you

This is not what I'm like, this is not what I do

This is not what I'm like, I think I'm falling for you

I never thought

This is not what I'm like, this is not what I do

I never thought

This is not what I'm like, I think I'm falling for you

I never thought that I could feel there's something

Rising, rising in my veins

And it looks like I feel there's something

Rising, rising in my veins

Looks like it's happened again
