I don't wanna tell her  
No don't wanna tell her  
That I awake in the dark  
Lost in the beat with my heart  
Oh baby look over your shoulder,  
You're not alone in this life.

I don't wanna tell her  
No don't wanna tell her  
I've been thinking of you  
Lost in the things that you do  
Maybe it's over,  
But over is not a word that you know

And if it hurts me baby,  
You know why  
Going along  
Hurt me baby if you like,  
It's already gone

I don't wanna tell her  
No don't wanna tell her  
I've been calling your name  
Each time it feels it's in vain  
Maybe it's over,  
But over is not a word that you know

I don't wanna tell her  
No don't wanna tell her  
I've been falling apart  
Broke and removed from the start  
Baby look over your shoulder  
You're not alone

And if it hurts me baby,  
When you try  
To go it alone  
Hurt me baby if you like  
You're already gone

This is a song

And these are the words  
And this is a song  
And these are the words

This is a song  
Don't wanna hear it,  
Don't wanna hear it.  
I don't wanna hear it, don't wanna hear it  
(These are the words)  
I don't wanna hear it, don't wanna hear it  
I don't wanna hear it, don't wanna hear it  
(This is a song)  
I don't wanna hear it, don't wanna hear it  
I don't wanna hear it, don't wanna hear it  
(These are the words)  
I don't wanna hear it, don't wanna hear it  
I don't wanna hear it, don't wanna hear it  
(This is a song)  
I don't wanna hear it, don't wanna hear it  
I don't wanna hear it, don't wanna hear it  
(These are the words)  
I don't wanna hear it, don't wanna hear it  
I don't wanna hear it, don't wanna hear it  
Well I could be wrong.

This is a song  
This is a song  
Hurt me baby if you like

I don't wanna tell her  
No don't wanna tell her  
That I awake in the dark  
Lost every beat in my heart  
Maybe it's over,  
But over is not a word that you know

Do you wanna know why?  
Do you know why?  
Do you know?  
She goes why
