I must have been blind  
Thought I could see through your eyes  
I was wrong, you were right  
Now I can't get out of bed

Fear, fear in my bones  
Look at me toss, look at me turn  
Yet still I can learn  
I just can't get out of bed  
Was it something that you said

I was wrong, I was wronged  
I was lost but now i'm found  
Don't be scared, don't be scared  
Of losing something that you never had

Fear, fear in my bones  
Look at me toss, look at me turn  
Yet still I wanna learn  
I just can't get out of bed  
No I can't

I must have been blind  
Thought I could see through your lies  
I was wrong, you were right  
Now I can't get out of bed  
Was it something that she said

I was wrong, I was wrong  
I was lost but now i'm found  
No, no, don't be scared, don't be scared  
Of losing something that you never had
