I walked on the physical plane
Talking with the grasses and the sister rain
I laid my sword down on the floor now, kissing the
terrain
I'm not the same
Cuz I've entered a new plane
I'm not the same
Cuz I've entered a new plane

I walked on the physical plane
Talking with the grasses and the sister rain
I laid my sword down on the floor now, kissing the
terrain
The door is open, I was hoping and nothing seems the
same
I've been working under cover, my mask comes off
today
The tribes have sent me to redeem the message of the
way

I'm not the same
I walked on the physical plane
Talking with the grasses and the sister rain
I laid my sword down on the floor now, kissing the
terrain
I'm not the same
Cuz I've entered a new plane
I'm not the same
Cuz I've entered a new plane
Cuz I've entered a new plane

I've been working under cover, my mask comes off
today
The tribes have sent me to redeem the message of the
way

Cuz I've entered a new plane
I'm not the same
I'm not the same
Cuz I've entered a new plane
