Hikaru kaze wo oikoshitara
kimi ni kitto aeru ne
atarashii kagayaki HAPPY READY GO!!
If I overtake the shining wind
I'll surely meet you, right?
A new shine, HAPPY READY GO!!

maegami no yukue wo kagami toniramekko
originaru egao de kakenuke taiyo
I just woke up, about to split from the throbbing
packed in my breast pocket, I looked up at the sky
playing with my bangs in the mirror
I want to run through with an original smile

ichibyō goto dokidoki irozuku kono hibi ga
mirai chizu ni naru takanaru kodou
A thump a second, these tinted days
will become a map to the future, a fast throbbing

amefuri demo heiki niji ni naru yo
karafuru happi- materiaru GO!!
kimi ni kitto aeru ne
chiisa na yuuki wo sakaseyou
If I overtake the shining wind
I wonder what will I be waiting for
Even if it's raining I'm fine, It'll become a rainbow
Colorful Happy Material GO!!
I'll surely meet you, right?
let this little courage bloom

boya boya shitetara nori okure chau Dream
sou kiyoku tadashiku mazu yatte miyou!

sesuji wo nobashite ikou! pawa- zenkai
If you're careless, you might be late to your dream
Pure and right, But first try it out!
The recipe is good, but spice is essential

Hold your head high and go! Full power!

otome gokoro urahara amazuppai kimochi

Will I be able to take it?
Before you worry, do the things you can do!

let this little courage blossom
I want it to reach you HAPPY READY GO!!
