English translation

I have a request teach me magic
I want power Oh Please
I'm too timid my heart beats fast
I want to become strong My Lovein a fight will you win or lose?
even if you fall get up right awayhey, Master teach me
unleash your fist
recite the spell
let's bring it down in one blow don't be negligentteach me magic that's effective for love
I want to make someone turn around Oh Please

the light gushing out of your star wand
is like a miracle My Dreamin attack victory goes to
the one who makes the first move
pound away, don't show any openingshey, Master
teach me
let's destroy everything
recite the spell
power is the strongest there is no escapein a fight will
you die or live?
sharpen your wicked hearthey, Master teach me
abs 1000 times
recite the spell
practice is after school we'll trainhey, Master teach me
unleash your fist
hey, Master teach me
recite the spell
you're teaching, aren't you!
