Well I'm the fastest man alive  
And you cant stop me if you tried  
If you try well you can kiss your heart good bye  
Because I  
Run away from anyone who really loves me  
And that shows me all that time  
I'll see you later if you want me  
I'll be

(Chorus)  
I'll be waiting  
In a black hole  
In my heart where the Sun never seems to shine  
I'll be flyin'  
Far away from  
All this bullshit  
I'll leave you so far behind

Well I'm the fastest man alive  
And theres no tellin where I'll be  
If you think I'll be here tomorrow  
Well you wait until you see

Well I'm the fastest man alive  
And you cant stop me if you tried  
If you try well you can kiss your heart good bye  
Because I

(Chorus)  
I'll be waiting  
In a black hole  
In my heart where the Sun never seems to shine  
I'll be flyin'  
Far away from  
All this bullshit  
I'll leave you so far behind

I'll be fallin  
in my own  
Darkness  
I'll be laughin you won't

Call me a bupkis anymore

(Chorus)

I'll be waitin'  
In a black hole  
In my heart where the sun never seems to shine  
I'll be flying  
Far away from  
All this bullshit  
I'll leave you so far behind

Cuz I'm the fastest man alive  
You can't stop me if you try  
You can try  
You can kiss your heart good bye  
Because I  
I run away from anyone who really loves me  
Really shows me all the time  
I'll see you later  
If you want me

I'm the fastest man alive  
You can't stop me if you try  
You can try  
You can kiss your heart good bye  
Because I  
Run away from anyone who really loves me  
Who really shows me all the time  
I'll see you later  
If you want me  
Good Bye
