My baby girl
She's the sweetest in the whole wide world
She wears her hair way up in a curl
Just to show she's my very own baby girl

She says: Daddy will you sing for me
Daddy try to swing for me
Daddy play your strings for me
She says: Daddy don't you cry for me
Daddy will you fly for me
Daddy will you try for me

My little Miss Wisp
She makes my heart feel tight like a fist
A number one girl in most every way
When she pulls at my strings, you've got to give her her
say

She says: Daddy will you sing for me
Daddy try to swing for me
Daddy play your strings for me
She says: Daddy don't you cry for me
Daddy will you fly for me
Daddy go and try for me.

My tiny dream
She makes me feel like a cat with her cream
She shines and bubbles like the clearest of streams
She makes me know it's not as bad as it sometimes
seems

She says: Daddy will you sing for me
Daddy try to swing for me
Daddy play your strings for me
She says: Daddy don't you cry for me
Daddy will you fly for me
Daddy go and try for me x2

She's my baby girl
She's just my baby girl
She's my baby girl
