Willow weep for me
Willow weep for me
Bend your branches green along the stream that runs
to sea
Listen to my plea
Hear me willow and weep for me

Gone my lover's dream
Lovely summer dream
Gone and left me here to weep my tears into the
stream
Sad as I can be
Hear me willow and weep for me

Whisper to the wind and say that love has sinned
Left my heart a-breaking and making a moan
Murmur to the night to hide it's starry light
So no one will see me sighing and crying all alone

Weeping willow tree
Weeping sympathy
Bend your branches down along the ground and cover
me
When the shadows fall hear me willow and weep for me

Whisper to the wind ...
