"Eat at MeatShake!"  
"Taste the secret at MeatShaaaaake, hey"  
"MeatShakes are so soft, I can eat em without my  
dentures"  
Well hi, welcome to MeatShake where you can 'taste  
the secret'  
And when I tell you what it is, you won't believe it  
There's something special in our food you'll taste when  
you start eating it  
Everything we serve has meat in it  
But don't you serve french fries and a vegetable plate?  
It all has meat (What?)  
What about the green salad and the cookies you bake?  
Everything has meat (Oh...)  
It's nice and tender  
Mixed in a blender  
Don't you want some meat? (Yeah)  
So hot and steamy  
Yet smooth and creamy  
Come and get your meat (Hey)  
Now when your body's hungerin, drive on down and  
stumble in  
Come on, give us half a chance, I promise that you'll  
come again  
If you're not carnivorous consider us a challenge  
You're too lean and need some proteine, we got it by  
the gallons  
Rest assured our healthy indiscriminating guests  
prefer

The sweet and meaty morsels we concoct behind my  
register  
Giving good service plus a smile in a paper hat  
Our competition's food is crap, who would wanna pay  
for that?  
Please try a beef pie
