i hangin water through
im runnin water through, my mind
i runnin water through
im runnin water through, my mind
nothin but shocks
and lots to go wrong bein in america
alls been forgot
and its easy when you try to remember everything
youve come across
cant turn nothin off
for the fear that youll be alone with your own thoughts
i runnin water through
im runnin water through, my mind
i runnin water through
im runnin water through, my mind
nothin but shocks
and lots to go wrong bein in america
alls been forgot
and its easy when you try to remember everything
youve come across
cant turn nothin off
for the fear that youll be alone with your own thoughts
