"You think after all this time, somebody come pick up
this trash? "

[Dizzy Dustin (Andy Cooper):]

I keep it fresh without the aqua

Wrigley's or binaca?

Reserve is full of germs so conserve your aqua

When the well runs dry, my flow's the H2O

Admitting paying patients like your HMO

My folder contain raps colder than polar caps

With the dig 'em smack to make you grow your motors
back

Focus on the locus they bite like they're teething

I rely on malathions to stop all of their feeding

They're eating what's in sight and at night they turn to
looters

So I booby trap intruders like my name was Ferris

Bueller

+On A Day Off+ (What) I avoid to killjoy those who ruin
what I'm doing

Want beef but get soy

Now don't think we can't handle our own

With two turntables and two microphones

The words I say can break your vertebrate (Uh-huh)

So don't try to (What?) lead me to the bayou

Cause that can buy you a plate of gator souffl?

And by the way there's a two for one special today

Like a jheri curl I activate from state to state we're
here!

[Chorus:]

Now if you feel a good vibe in the atmosphere relax
your ear (We're here!)

And when the people come flocking from far and near
and start to cheer

(We're here!)

(I said) If you feel a good vibe in the atmosphere relax
your ear (We're

Here!)

And when the people come flocking from far and near
and start to cheer

(We're here!)

[Andy Cooper:]

(Oh-oh really?) Yeah really, Andy Cat, Dizzy Dustin, and
Young Einsten it's

Ugly Duckling

And to make it clear like chlorine (What?) we put the
parts together like

Dr. Frankenstein

[?]

Until two thousand fourteen twenty years to tear it up

You got to get the DJ's doubles up the twelve inch cut

Fresh! (Fresh!) Mode! (Mode!) Fresh! (Fresh!) Mode!

(Mode!)

Put your finger to the fate and make you explode!

I want to entertain a million and rush into a Brazilian

In a club, a amphitheater, a stadium, or a pavilion

Gimme the mic! I'm as inflatable as helium (Rhythym is
tight!)

Like Big Pun in a medium

I move crowds to attend rap shows

Even those who try to oppose from the back rows

At that junction (What?) I'm unraveling and javeling

That's rapidly traveling to perform at acupuncture

Which shouldn't make my point to the wack crew

Who tries to boo because we don't act like you

Ugly Duckling's one of the last groups

Coming correct so other rappers can't stand us

[Chorus:]

Now if you feel a good vibe in the atmosphere relax
your ear (We're here!)

When the people come flocking from far and near and
start to cheer (We're

Here!)

(I said) If you feel a good vibe in the atmosphere relax
your ear (We're

Here!)

And when the people come flocking from far and near
and start to cheer

(We're here!)

(Oh-oh-oh really?)

[Young Einsten scratches and cuts "We're here!]

"Oh-oh really? "

[Dizzy Dustin:]

Andy, check this out, yo, you go to your girl's house
and I go to mine

Cause my girl is definately mad cause it took us too

long to do this EP

[Andy Cooper:]

Yo I hear what you saying

So let's just pump the music up, and count our money

[Young Einstein:]

Yo, but check this out

Yo Craig, smooth the base out and just let the beat
keep on rocking

[Andy Cooper:]

And we outta here

[Dizzy Dustin:]

Yo, Einstein what happened to peace?

[Eric B. & Rakim:] Peace!
