[Verse One]

Steppin to the stage, right in front of your eyes  
Young Einstein, he's about to go live  
So, punch your ticket - then move up close  
Pay, special attention - and take some notes  
He's a two hand band when he's on the cut  
And that's all we need, backin us up  
He's got the rhythm - and the quickness - and the focus  
- and the skills  
That's growin like grass with the mass appeal  
He doesn't do it for the money - and not for the fame  
He does it for the people cause he loves to entertain  
So steppin to the stage, right in front of your eyes  
Young Einstein is about to go live

[Chorus]

"Comin up on stage" - he's about to go live {\*3X\*}  
"Comin up on stage" - Young Einstein is about to go live

[scratches]

I'm the greatest, go ask your mother  
Drop the beat, break it down like a droptop  
On the two turntables  
Makin sure the beat come out clean  
Ain't none of y'all cool like me  
Jack, I don't play  
Transform  
You've never heard a DJ, with cuts like these

[Verse Two]

Get back~! When he puts the vinyl on the slipmat  
Scratch so fast you hear the wrists crack  
Cause my DJ cuts the record down to the bone marrow  
Rockin from Carter, on the Rio De Janeiro  
Einstein's got fans that'll stand in line  
To see him speak with his hands like a pantomime  
Yup, all packed in to a sold out show  
Yelling "Go Einstein, go Einstein, go!"  
He doesn't do it for the money - and not for the fame  
He does it for the people cause he loves to entertain  
So steppin to the stage, right in front of your eyes

Young Einstein is about to go live

[Chorus]

[scratches]

[new scratches after instrumental breakdown]

Wait a minute, I ain't finished yet

I wish I could go on, but I have to end this

I, have, to go
