If I had the time and lotsa money
The I'd take you round the world
N if I had a dime for every penny
Then I'd buy you diamonds girl
You don't even know how much I love you
And how much I wanna be...
Your knight in shining armor, yeah, baby
That's good enough for me...

Chorus

And I'll keep tryin
Yeah I'll keep tryin, to make you mine
...mine all mine
I hope you're buyin, I hope you're buyin
All of my lines

Now if I was the king and had a castle
Then you'd surely be my queen
We would live up in the tallest tower
And we rarely would be seen
You don't even know how much I need you
And how much you mean to me
Im dog without a bone hear me cryin
And it's time for you to see that...

Chorus
