Disneyland is the place to be, cmon baby, just you and me;
Hand in hand, to disneyland, we go! not slow;
Happiest place, in the world til the madman grabs a girl;
Hand in hand, with the madman, she goes! oh oh!

Chorus

Knife gleamin no feelins, axe wieldin, child stealin,
Madman is loose.... in disneyland (in disneyland)

Come here little girl if you wanna see, peter pans
magic flight on l.s.d.
Up and down, all around, we go! whoa oh!

Repeat chorus

Madman is loose in disneyland; he's back here by
popular demand;
Madman is loose in disneyland; hell take no lip but hell
take your head!

Surprise, surprise, Im comin at ya live;
I sure as hell aint mickey mouse, Im a killer in disguise
You can run and you can hide;
But you aint gettin away cause I got you in my sight;

Axe wieldn, child stealin;
Im a mad mother and Im loose!... in disneyland!

Have you heard the news, madman sure is loose,
Got you by the noose, have his way with you;
Nothin you can do, headline in the news,
Madman sure is loose in disneyland.

Disneyland is the place to be, in california, by the sea;
Sunny day, were a.o.k., for now, and how;

Repeat chorus
