Written by ugly kid joe

Let the burning bridges tumble down  
Let the water come and flood the ground  
Burn a hole into the southern sky  
I only wanna be walking by your side  
When I see tomorrow I see you there  
When I look around I'll see you everywhere  
Your face is etched into my mind  
When it's all said and done  
Im feeling like the milkmans son  
Let your darkest spirits fly away  
Come again but you wont come today  
Spend the last time of my worthless job  
I only wanna be walking by your side  
Im feeling like the milkmans son  
Said Im feeling like the milkman
