Written by scott, young and young (ac/dc)

Diamonds and dust  
(home at last) poor man last, rich man first  
Lambourginis, caviar  
Dry martinis, shangri-la  
I got a burning feeling  
Deep inside of me  
Its yearning  
But Im going to set it free  
Im going in to sin city  
Im gonna win in sin city  
Where the lights are bright  
Do the town tonight  
Im gonna win in sin city  
(Im gonna rule you baby)  
Ladders and snakes  
Ladders give, snakes take  
Rich man, poor man, beggarman, thief  
Aint got a hope in hell, that's my belief  
Fingers freddy, diamond jim  
They're getting ready, look out Im coming in  
So spin that wheel, cut that pack  
And roll those loaded dice  
Bring on the dancing girls  
And put the champaign on ice
