Whooo-wee! Alright, breakdown  
Break it down!~!

Uh-huh... I like that! Check it out

[Verse One]

It's, not, easy bein Ugly  
Comin up hopin that people would love me  
As a kid in some cheap sneakers and a backpack  
Try to make a friend and you end up gettin laughed at  
(Ha ha!) When I try to fit with the clique  
or pick up a chick, I felt like I'd been hit with a brick  
Cause all I'd ever get was chills from a cold shoulder  
Thinkin this'll all change when I grow older  
Move to today and it's still the same  
As I try to make a "Bang" in this hip-hop thang  
See, all I want to do is just rock the mic  
Then I heard there's a jam goin off tonight  
So I'm knockin... I can't get in  
I'm knock, knockin but I can't get in  
I'm knock knock knockin but I can't get in  
And I can hear the party is about to begin

[Chorus]

You won't unlock this door  
Well what are we gonna do - BREAK IT DOWN!  
You want to close us out  
Well what are we gonna do - BREAK IT DOWN!  
You want to build this wall  
Well what are we gonna do - BREAK IT DOWN!  
You'll have to watch it fall  
Cause what are we gonna do - BREAK IT DOWN!  
Woooooooooooo~! {"right, r-right on"}  
Woooooooooooo~! {"go nuts"}  
You, can't, stop us now  
We, will, break you down  
YOU, CAN'T, STOP US NOW

[Verse Two]

RRROUGH...

Now I'ma break it down like the Berlin Wall

And give it all I got until the curtain call  
Einstein, Andy and I, started this group  
to get back to the roots and rock retarded loops  
Now here's the scoop - we got signed in '99  
Two LP's, performin overseas  
Show after show we'd be takin the stage  
Straight gettin no sleep, makin minimum wage  
Beggin for support from the labels and the press  
But they'd look right past us and be like "NEXT!"  
They said the sound won't make it today  
They don't wanna hear what we're tryin to say  
So we're knockin... but we can't get in  
We're knock, knockin but we can't get in  
We're knock knock knockin but we can't get in  
And we can hear the party is about to begin

[Chorus]

WE, WILL, BREAK YOU DOWN!!  
Uhh, yeah  
One more time break it down!  
{\*harmonica plays to fade\*}

"You are ugly mayne! (UGLY UGLY UGLY!)"  
{\*gunshot\*}
