You who are on the road  
must have a code that you can live by  
and so become yourself  
because the past is just a goodbye  
Teach your children well  
their father's hell  
will slowly go by  
and feed them on your dreams  
the one they picks  
the one you'll know by.  
Don't you ever ask them why  
if they told you, you would cry  
so just look at them and sigh  
and know they love you.  
And you, of tender years  
can't know the fears  
that your elders grew by  
and so please help them with your youth  
they seek the truth  
before they can die.  
(Can you hear and do you care  
and can't you see we must be free  
to teach our children what you believe in  
make a world that we can believe in)  
Teach your parents well  
their children's hell  
will slowly go by  
and feed them on your dreams  
the one they picks  
the one you'll know by.  
Don't you ever ask them why  
if they told you, you would cry  
so just look at them and sigh  
and know they love you.
