(Chorus) Nashawn

Strike (One)

Batter got another swing

Money Machine team we do our thang

Strike (Two)

And I'ma test my luck

The pitcher going hard he want another batter up

Strike (Three)

You know that I'm gon' swing

I tip the ball now I'm gon' again

Strike (Four)

I'm gon' for the homerun

It's going, going, gone!

[Nashawn]

I take off through the moon roof

You hear a clap that's Nashawn Jones in that red coupe

You hear that, yes, I got them girl's suit

And wear that, right here I do the damn du

My plan plat, I don't care what her man do

She got some wonderful toes in them sandals

And gamble that fat ass I can handle

I don't be there on the corner, I don't scramble

A grown man I roll my weed up and bamble

And beef I take a man apart, I dismantle

Two right behind the ear, I'm from the Galaxy kid

With sought to make my salary big

I don't care how those factual's live

But with the Money Machine make a deposit and the  
check will be clear

Yeah, I said the cash will be there

But if you don't produce right fun boy your casket will  
be there

(Chorus)

[Nashawn]

Problems y'all don't want it, I swing that bat

I'm a dog in a world that'll kill that cat

I just lounge in the mound with my hat on back

And step up to the plate, Bonds up to bat

Nah, Nashawn jiggy spit that crack  
I look nice with the siggy man my dunn go black  
Yeah, you bets believe my recipe will be  
Smoking that weed, the piff is a tree for me  
I'm running through speed, yo Flex drop a bomb diggy  
She got Money Machine tatted on her titties  
Stomp hard in the city, nothing ain't pretty  
But the cars and the Mac-10s, rims and the broke  
friends  
I'm going hard; I'm trying to stress those ends  
Sit nice in the Benz, I want her and her friends  
Head blown in the wind, Money Machine my team  
Stack nothing but suitcases of green

(Chorus)
