Verse 1

Let the burning bridges tumble down
Let the water come and flood ground
Burn a hole into this auburn sky
I only wanna be walking by your side

Chorus

When I see tomorrow I see you there
When I look around I'll see you everywhere
Your face is etched into my mind
When it's all said and done
Well I'm feeling like the milkman's son

Verse 2

Let your dark spirits fly away
Come again but you won't come today
Spend the last of my worthless life
I only wanna be walking by your side

Chorus (X2)

Ending Bit

I'm feeling like the milkman's son
Said I'm feeling like the milkman
