Written by scott, young and young (ac/dc)

Diamonds and dust
(home at last) poor man last, rich man first
Lambourginis, caviar
Dry martinis, shangri-la
I got a burning feeling
Deep inside of me
It's yearning
But I'm going to set it free
I'm going in to sin city
I'm gonna win in sin city
Where the lights are bright
Do the town tonight
I'm gonna win in sin city
(I'm gonna rule you baby)
Ladders and snakes
Ladders give, snakes take
Rich man, poor man, beggarman, thief
Ain't got a hope in hell, that's my belief
Fingers freddy, diamond jim
They're getting ready, look out I'm coming in
So spin that wheel, cut that pack
And roll those loaded dice
Bring on the dancing girls
And put the champaign on ice
