You don't even know me
You don't even care
I've got something for you
You must this beware

Don't say that it's over
I'm still a part of you
Our love is eternal
Hope in tomorrow's world

Your life's getting closer
Will you make the grade
Slowly going nowhere
Will you die afraid?

Don't say that it's over
I'm still a part of you
Our love is eternal
Hope in tomorrow's world

Don't say that it's over
I'm still a part of you
Our love is eternal
Hope in tomorrow's world

Don't say that it's over
I'm still a part of you
Our love is eternal
Hope in tomorrow's world

Don't say that it's over
I'm still a part of you
Our love is eternal
Hope in tomorrow's world

Don't say that it's over
I'm still a part of you
Our love is eternal
Hope in tomorrow's world
