[Intro: crowd]

Yeah, G-O-D, U-G-O-D

Uey!! Yeah U-G-O-D!

[U-God]

Who the bad mother brother with the super sperm

That's waiting in the corner, for his return?

Ya'll step back cuz the trigger is lethal ---

He's a cool cool cat, you know where he's at

Fast on the fate, don't pull your blade

Cool dude, now here is the sequel ---

He ride the rhyme with new releases

And rock you deep, and hold you tight

Crack your back in a million pieces ---

Whoooo, he sly as a fox, cause major pain

And fly when he box, when he play the game

Slide from the cops, and grab your dames --

Whoooo, he sly in the sequel, and your eye ain't
quicker than

Cut your posters, zero, nine

He freak you out, til you down right simple

He's bad, he'll blow yo mind...
