[U-God]

I don't know where to begin, or where to start  
All I know is I broke my mother heart  
It started way back with a little weed  
Then it grew into acid, coke and speed  
I became that monster with a need to feed  
Was it greed? No, I just needed to freeze  
Then I dabbled in this, then I dabbled in that  
Then the next thing you know, I was exposed to crack  
And I guess curiosity killed the cat  
And the way that it look, ain't no turning back  
And I used to have the hook up, g's'll splurge  
Now, I just cook up to feed my herbs  
Now, people just look up, like he's the third  
Cuz he walk around town like he's a bird  
Instead of money it was drugs that he preferred  
Say no to the substance, heed my words

[Chorus 2X: U-God]

I don't love the drugs, drugs love me  
It's the coke, and the weed, and the ecstasy  
It's a terrible disease, that go down down deep  
And all day long it be calling me

[U-God]

My father, he had dope fiend arms  
Lord, thank you Jesus, thank you Jesus for moms  
Damn, I did her wrong, not a pot to piss in  
And the, TV's missing, couldn't stop the addiction  
Damn, that cause friction, I broke the trust  
Huh, how could I tell her that I smoked it up  
And I smoked the red dust, to fight the demons  
And I need a head rush, cuz tonight I'm fiending  
Not for the nicotine, the pipe I'm screaming  
And the monkey on my back, can't fight the feeling  
And I did a robbery, I broke the clip  
And I caught a lottery ticket and smoked the dip  
Life fucked up, nigga, I choked my bitch  
Police tried to cuff me and I broke the stick  
I'm as low as I can get, low as I can get, nigga  
Low, low, need another hit, nigga

[Chorus 2X]

[U-God]

I love getting high, throwing dick to dames  
Lived life to the fullest like my name Rick James  
I don't know what's more addictive, the chicks, the  
fame  
Damn, I done shamed my family name  
One foot in the rain, one foot in the flame  
Ugh, rich or poor, whatever you call it  
I'm a cigarette smoker, two sips from alcoholic  
Got to change my ways, flush drugs down the toilet

[Chorus 2X]
