What if I could change the world  
one day at a time?  
I'd go back and stay  
Too much is gone to even try  
Shallow in depth  
so I see everything so clearly  
I would take it back again  
I'd take it blind (take you blind)

You say, I don't  
But oh, would you come  
and take me  
Away  
Away from here  
You say, I won't  
But love, won't you come  
and take me  
Away  
Away from here

This is in reversal  
Everyone is hurt here  
Fell from you so high

Beat me like a drum  
Now you finally have won  
I'm wounded again

I say,  
What if I could change your world  
one day at a time?  
I'd be waiting for someone  
to change my mind  
Change my mind

You say, away  
Oh love, won't you come  
and take me  
Away  
Away from here  
You stay away  
Oh love, won't you come

and take me  
Away  
Away from here  
(Oooh)

What if I could change your world  
one day at a time?
