The scene is dead by morning  
Slipping past the great divide  
It chases over bridges  
Spins me out of my own mind

Hollow is how you like it  
What you see is what you get  
Say you love me again  
But you never do (yeah)

I am not singing a love,  
singing a love song  
Cause love is a game to you now  
Watch just to see how long  
Oh I want to fall away and  
waste another day  
Cause love is a game to you now  
Watch just to see how long

I see I disappoint you  
Why don't you find another threat?  
This isn't what you thought now  
If you fall, won't you tell me in my ear?

You're here to waste their time dear  
But you can't waste mine  
Oh say you love me again  
But you never do (yeah)

I am not singing a love,  
singing a love song  
Cause love is a game to you now  
Watch just to see how long  
Oh I want to fall away and  
waste another day  
Cause love is a game to you now  
Watch just to see how long

But if you can't save love anyway,  
you'll love again  
Cause love is a game to you now  
Watch just to see how long

I want to fall away and  
waste another day  
Cause love is a game to you now  
Watch just to see how long
