I can't believe I can't let it go
The difference you make, you completely changed me
And I can't believe I haven't let you know
Oh, but today it's gonna change, you rearrange me

[Chorus:]

Cause time stands still now and we're the last ones
Cause everybody's changing, oh but we're remaining

I can't believe I haven't told you so
I see your face and everything it shines on you
Oh and I can't believe you were so blind to see
Oh what a difference it made to turn back the table

[Chorus]

Cause time stands still now and we're the last ones
Cause everybody's changing, oh but we're remaining
