You count em' one, two three  
You look so cute when you get that mad  
You drain the life from me and it feels oh so good

The looks you give are so contagious  
The way we move is so outrageous  
Just let me in (wasting time)  
Just let me in Let's make it look right

So stay up and get down  
Sleep's just time spent wasting time  
So get down, get down  
Let's make it happen all night

You're moving close, my pulse is racing  
We're getting close, yeah I can taste it  
I've never done it quite like this  
So slow it down now, just slow it down

The looks you give are so contagious  
The way we move is so outrageous  
Just let me in (wasting time)  
Just let me in, Let me in

So stay up and get down  
Sleep's just time spent wasting time  
So get down, get down  
Let's make it happen all night

Reach out touch someone  
So try to catch me if you can  
Reach out touch someone  
Touch someone (touch me)

Reach out touch someone  
So try to catch me if you can  
Reach out touch someone  
Touch someone (just touch)

Reach out touch someone  
So try to catch me if you can

Reach out touch someone  
Touch someone (touch)

So stay up and get down  
Sleep's just time spent wasting time  
So get down, get down  
Let's make it happen all night
