Photograph,  
Remembering the summer  
it takes me back,  
to Southern California.

where the girls would all pass  
on the boardwalk and laugh  
at our desperate attempts  
and our sunburned backs  
we never had a chance,  
I remember that  
and no matter what we do,  
we'll never lose what we had

growing up  
Won't bring us down.  
Yeah, growing up,  
it won't bring us down,  
Growing up won't bring us down  
Growing up won't bring us down

Graduate,  
What's a kid to do now?  
Get away, (yeah-ah)  
We've got so much to prove.

Cause it's time to move on  
and I start to let go  
but then "Wonderwall" comes on the radio.  
I flash back to the night  
in your parent's yard,  
where we drank too much  
and we talked about God

Growing up,  
won't bring us down.  
Growing up,  
it won't bring us down.

We're in this together,  
Yeah, we'll make it somehow,

Nothing's gonna stop us now...  
Growing up won't bring us down  
Growing up won't bring us down  
Growing up won't bring us down  
Oh-oh-oh

Photograph,  
Oh give me something to remember

Growing up,  
won't bring us down.  
Growing up,  
it won't bring us down.

We're in this together,  
Yeah, we'll make it somehow,  
Nothing's gonna stop us now...  
Growing up won't bring us down  
Growing up won't bring us down  
(won't bring us down)  
Growing up won't bring us down  
(won't bring us down)  
Growing up won't bring us.....down.
