December first, I'm in a foreign state, I'm running late
I'm all alone, wishing I was home with you, baby
She's got a way of making things okay
And when she's not around, when she's not around I'm
going crazy

We like to talk about the plans we make
And things we say when we're together
I hope for better weather this year
But you my dear, need to know

This year I want you alone

Ho ho hopefully, this holiday will make us believe that
We're exactly where we're supposed to be
And we're ho ho hoping that we all come back
And as a matter of fact I know
We're exactly where we're supposed to be,
Together by this christmas tree

We go together like the winter and this sweater
And she makes me feel, she makes me feel alive
inside
And when I look into her eyes,
I see the blue and green like christmas lights
Like christmas lights, oh what a sight

She says I've got a way of making everything okay
She's not alone, she's not alone and never will be
Ho ho hopefully, this year I have you alone

Ho ho hopefully, this holiday will make us believe that
We're exactly where we're supposed to be
And we're ho ho hoping that we all come back
And as a matter of fact I know
We're exactly where we're supposed to be,
Together by this christmas tree

(Don't you know, this year I want you alone)
Baby, I want you alone

Ho ho hopefully, this holiday, it will make us believe
that
We're exactly where we're supposed to be
(I'm exactly where I'm supposed to be)
And we're ho ho hoping that we all come back
And as a matter of fact I know

We're exactly where we need to be,
Together by this christmas tree
