Well I messed up, I shouldn't drive tonight, but I keep
thinking of you
I hurt you again, I shouldn't lie tonight, so the next few
words are true

Never again, never again, no, will I leave you high and
Never again, never again, no
Never again, never again, no, will I leave you high and
dry
This time, I more than mean it

I'm sorry, I'm not what you wanted, I'm sorry, sorry I let
you down and
I could use some poor excuse 'cause the hardest thing
to say,
It's the hardest thing to say in the world;
Yeah, I'm sorry, I'm sorry

Yeah I messed up again,
thinking about the times I was lost and you made me
live(?)
And I'm only human, both you and I know how this will
end

So I say never again, never again, no, will I leave you
high and
Never again, never again, no
Never again, never again, no, will I leave you high and
dry
This time, I more than mean it

I'm sorry, I'm not what you wanted, I'm sorry, sorry I let
you down and
I could use some poor excuse 'cause the hardest thing
to say,
It's the hardest thing to say in the world;
Yeah, I'm sorry, I'm sorry

I'm sorry, I'm sorry

I'm sorry, I'm not what you wanted, I'm sorry, sorry I let

you down and
I could use some poor excuse 'cause the hardest thing
to say,
It's the hardest thing to say in the world;
Yeah, I'm sorry, I'm sorry
