[so for all y'all niggaz out there that be puffin shit
when the music go on, y'all listen to this alright?]

Verse One: Prince Rakeem/Ryzarector

Let's get it on ock, and watch the spot get blown
I be the sick lunatic with the devilish poem
From the mists of the darkness I come with this
Hittin straight, to the chest, like a Primatene mist
Ryzarector, YAH, the fanatical type
I'm like a bat, in the night, when it's time to take flight
Here I am, in the flesh, and yes I love sess
I'm obsessed, by the sounds, the track possess
Intellectual, killer, special majestic
Ropin up the devils have em hangin from my testicles
Nowhere to run to ba-bay
There's nowhere to hide

Verse Two: Too Poetic/Grym Reaper

Ahh... fuckit! Another day, another ducat
From here to Nantucket MC's kick the bucket
I'm rugged ruff flow-in up till I bust
While other rappers is flatter than a white girl's butt
I manifest my name and the reason I came in the first
place
word shake your brain just like an earthquake
A lot of people admit that I am raw
I cover my ass like a V-I-M, store
My forms are real wicked like Dahmer
A whole mob of a lot of niggaz is like a meal ticket
It's nowhere to run to ba-bay
It's nowhere to hide

Verse Three: Fruitkwan/Gatekeeper

Yo
As a child, a bad seed, was on the prowl
Runnin mad wild, cause death was my style
The crazy, maniac, yo lunatic
I circle like a shark when the fresh blood drips

Needles to the pen now you're in
I eat em then I feed em chop chop rippin sheets from
your skin
Terror is in, with the RZA and the Grym
Problem one now begins, hah!
Streak up your skull to the sides of a freedom
Record to the meter, so tell me who could be the next
one
Gravediggaz complex death oath
And watch King Tee, kill a fuckin note
Here we go, I'm cursed with dawn you was warned
And now, I'm slayin every new firstborn
It's nowhere to run to ba-bay
It's nowhere to hide
It's nowhere to run to ba-bay
You best to stay inside
...
You best to stay inside

Verse Four: Prince Rakeem/Ryzarector

Here comes the drastic...[Protect Ya Neck intro]
just like... a tactic, attack it, attackin, ATTACKIN
I'm wrappin you bastard now prepare your casket
Death is the final step, when y'all step
To intercept, the rep, of a brother, who has kept
his status, stop the madness, that is
I flow just to show that, black, y'all can know that
me, being wack is like naps on Kojak
Eruptions of volcanoes, o-ccur when I speak
Try to twist my dialect and get caught by tornadoes
There's nowhere to run to ba-bay
There's nowhere to hide
There's nowhere to run to ba-bay
You best to stay inside

Outro: Prince Paul/The Undertaker

{Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide
Nowhere to run, nowhere to hide}
Cause there's nowhere to run, cause there's nowhere
to hide
Cause there's nowhere to run, cause there's nowhere
to hide
And just when you thought it was safe to make records
From the bottomless pit, the RZA, the Keeper, the
Reaper
And myself the Undertaker
Pourin gravy all on your brains, you know what I'm

sayin?

And this one goes out, to all of those who thought the
Gravediggaz would fall

All of those who forgot to take No-Doz

All the low-life snakes and liars, you know who you are

And to the A&R who couldn't understand the product

Now look who's on top

[Nigga, word to life

Nigga, you gonna say boo to us?

Much money as we bring in this motherfucker?

You don't own the place anyway! The white man own it.

You just frontin your ass off!]
