See that man dressed in black
Pass him by don't look back
Keep in a line and walk straight ahead
One false move could be dead

'Cos he's an underground undercover agent for the CID
CID, CID
Got a loaded 44
Walking armoury store

Take a tip and hear what I say
Don't take no trip down Soho way
If you do you better keep in a line
Make one false move could be doing time

'Cos he's an underground undercover agent for the CID
CID, CID
Got a loaded 44
Walking armoury store
Watch it

Take a tip and hear what I say
Don't take no trip down Soho way
If you do you better keep in a line
Make one false move could be doing time

'Cos he's an underground undercover agent for the CID
CID, CID
Got a loaded 44
Walking armoury store
