[Daryl]

Kevin, this is Daryl from Long Beach  
man uh, I was wondering if you could uh, play a song  
for me  
me and my lady goin through a few thangs, see  
and I'm not feelin very well right now

[Kevin]

Yeah, I hear ya, I know how you feel  
I've been there, hell we've all been there  
For you and all you playaz who got bumped off the  
playin field  
This is the song for you  
187.4 on your FM dizzal, WBALLZ

(Chorus x4)

A dirty ho's drawls  
That was the cause of it all

Pimpin hustlin playin hoes is all I know  
With my homeys on the mash and a pocket full of cash  
what more can a nigga ask for  
with my strap in my lap and my niggaz back to back  
a muthafucka didn't wanna see me  
then along came his girl, finest woman in the world  
that broad been to my knees

(Chorus x4)

A dirty ho's drawls  
That was the cause of it all

(Now I, dont trust no hoe  
And do you, know thats how it goes)  
I never thought you were the one  
that would try to get a nigga like Ms Spunk

(Chorus x4)

A dirty ho's drawls  
That was the cause of it all

I know you're all in big ones from the start  
I really didn't need to, play your heart

But you still have the good looks, DPG blood  
you're the only one that, I love  
(x3)  
Make me wanna climb up DPG  
make me wanna moan make me wanna scream

[Big Pimpin Delemond]  
See as I say it, something about the power of the pussy  
It even breaks gangstaz down  
Bitch tricked me out of my playaz license

(Chorus x4)  
A dirty hoe's drawls  
That was the cause of it all

(Bridge plays to fade)  
I'll get over you  
I gotta get over you  
Before I've been a fool  
I gotta get over you  
(Dirty ho's drawls)
