"Breathe Slowly"

This song keeps hurting all the time
Pretend it's just a lie (just a lie)
Our true feelings, our pride aside
Writing it down on paper
Feels like a remedy to the hurt
A lovesick melody.

Breathe slowly
To take this final chance
And stop this song
If only you pretend

We've had this dance a million times
The end draws closer by (closer by)
And we are walking on thin lines until
This scene is over
Feels like a remedy to the hurt
A lovesick melody
It's sweet, it's sweet,
so sweet inside this perfect tragedy

Breathe slowly
To take this final chance
And stop this song
If only you pretend
You'd love me
And only sing along
To the beat of
Our own lovesong

We're dying now, but still somehow
This song won't end
We're dying now, but still somehow
This song won't...
Stop this song
Stop this song
Stop this song
Stop this song

Breathe slowly,
To take this final chance

And stop this song
If you only you pretend
You'd love me
And only sing along
To the beat of
Our own lovesong
