She's still so young
In more ways than one
More grown up than I'm ever gonna be
She still looks up to me
She won't back down
Even after all I've done
She tells me I'm the only one she needs
She still comes back to me

Don't you know
You could do things so much better on your own

I'll just try to be the man that makes you smile
And make all of your days worthwhile
I'm drowning in your deep blue eyes

She's oh-so sweet
And when life's got me beat
She lifts me up and put me on my feet
She still looks up to me
She's oh-so tough
But when she's had enough
She'll hide in my arms to fall asleep
She still comes back to me, yeah

Don't you see
That I'm the one who's lucky that you're here

I'll just try to be the man that makes you smile
And make all of your days worthwhile
I'm drowning in your deep blue eyes

I have to confess that sometimes
I feel the need to walk away
I'm just afraid you'll grow up some day
And realize I'm in your way

I'll just try to be the man that makes you smile
And make all of your days worthwhile
I'm drowning in your deep blue eyes

I'll just try to be the man that makes you smile
And make all of your days worthwhile
I'm drowning in your deep blue eyes
Yeah, drowning in your deep blue eyes

(I'll just try)
(I'll just try)
(I'll just try)
I'm drowning in your deep blue eyes
(I'll just try)
Drowning in your deep blue eyes
