Cause this time of ours is borrowed  
We must give a helping hand  
Whatever happen to our heroes  
They must get another chance  
(We can do it again)

We drove close, closer and closer  
And even though we're almost there

You are all I need in my life  
You are all I dream here at night  
Close your eyes imagine I'm, taking you, away  
Tonight

Come together all the people (we can do it now)  
Here's your chance to make it right (go, take a chance)  
And even though (Even though) we're gettin' close  
(Gettin Close)  
We're not there just yet

And even though we're almost there

You are all I need in my life  
You are all I dream here at night  
Close your eyes imagine I'm taking you away  
Then one more time close your eyes  
I'm always here to stay  
(Oh my)  
Tonight

(I'm always here)  
(Oh My)  
(I'm always here)  
We can do it again  
(I'm always here)
