Me and Mot were rockin' out back in his bedroom  
Underneath a tapestry of a Motley Crue  
Back in their youth  
No time to just wake up from dreamin'

Brokyn Needle doesn't need no cigarettes  
'Cuz we're that cool  
Basement majesties and desperate hearts  
Yeah, but it's okay jammin' after school  
'Cuz I'm gonna be a star

I got a muscle shirt and Mot has got some black boots  
Pink bandanna, glitter jeans and a fake tattoo  
And you're set, dude  
No time to just wake up from dreamin'

Brokyn Needle doesn't need no cigarettes  
'Cuz we're that cool  
Basement majesties and desperate hearts  
Yeah, but it's okay jammin' after school  
'Cuz I'm gonna be a star

Singin'  
'Are You Ready To Rock?'  
It's not a question, baby  
'Are You Ready To Rock?'  
It's not a question, baby  
'Cuz I'm just filled with somethin', it's all I got

Brokyn Needle doesn't need no cigarettes  
'Cuz we're that cool  
Basement majesties and desperate hearts  
Yeah, but it's okay jammin' after school  
'Cuz I'm gonna be a star
