I pledge allegiance to all my homies who ain't never
loved a hoe and never will
I give my body and I give my soul to the funk
May the funk never end

I pledge allegiance
To paper chasers
To hustlers who be steady pullin' capers
Peace and blessing
May the sun always shine on you
I'm servin' paper
See ya later
I guess that's one mo' thing
I can't be fated
You can test me
Get discombobulated
Ain't no question I'm gon' fuck with this
I do it for the funk of it

I pledge allegiance to all my homies who ain't never
loved a hoe and never will
I give my body and I give my soul to the funk
May the funk never end

I pledge allegiance to my
Homies who keep it gangsta
Fuck all the haters
They can't stop this groove
I pledge allegiance to the
Game cuz it got me ballin'
Game don't wait so I'm not stallin'
I'm still dissin (Uhh, what, what, yeah)
She's still callin' (Uhh, check it out now, uh)

See this is front line
No turnin' back now
I'm about to score
This is war on the track now
Give me my vest and my ammo and my mac now
I'm bout to spit it
And Lord I'ma get it in the worst way

Slay competition
Move the opposition back
Wake the fuck up (Uh-huh)
Cuz when I get beyond enemy lines
I might snipe that ass like John Kennedy's mind
Thou shall not get caught
That's the remedy
Disinfect gun wounds on my last bottle of Hennessy
Bleed to let the seeds remember my memories
It's killed or be killed here son that's the penalty
Ride for the funk
Cry for the funk
In the heat of night
I die for the funk
Pharoahe
When I'm six feet deep there's no greivin'
Salute the noblest troop and pledge allegiance cuz

I pledge allegiance to all my homies who ain't never
loved a hoe and never will
I give my body and I give my soul to the funk (I pledge
allegiance to my homies who keep it
gangsta, fuck all the haters they can't stop this groove)
May the funk never end (I pledge allegiance to the
game cuz it got me ballin', game don't wait
so I'm not stallin')
(I'm still dissin', she still callin')
I pledge allegiance to all my homies who ain't never
loved a hoe and never will
I give my body and I give my soul
