Why don't you come
Come to the village of love
Why don't you come
Come to the village of love
Why don't you come
Come to the village of love

Let me
Take you
To the village of love

Let me
Hold you tight
Let me
Treat you right

Come on
Hey, hey
To the village of love

---- Instrumental Interlude ----

Tell your ma (tell your ma)
Tell your pa (tell your pa)
We goin' back
To Arkansas

Come on
Hey, hey
To the village of love
