Thinkin' 'bout no other
uah uah my Lover
Can't you see
you are the one
i'm thinking of
let me be the one
to do it all to you
If you believe in me
and what I do
and all that I can give
Thinkin' 'bout no other
but you you are my Lover
I wanna be together with you
you are my Lover
I can give you all
and freak you up and down
If you touch my part
You hear a nasty sound
If you believe in me
and what I do
and all that I can give
Thinkin' 'bout no other
but you you are my Lover
I wanna be together with you
you are my Lover
[background] You are my Lover
Thinkin' 'bout no other
uah uah you're my Lover
[background] You are my Lover
I wanna be together uah uah my Lover
[background] You are my Lover
If you belong to me
then you should see
You're all i'm thinking of
[background] uuhhh
All i want to be is together
hopin' that our love last forever
it's crazy but it's true
you are my Lover
[background] yeah yeah
Thinkin' 'bout no other
[background] to be is together

You are my Lover
[background] hopin' that our love last forever
I wanna be together
[background] it's crazy but it's true
[background and main-voice] You are my Lover
[background] uuhhh it's aahh
Thinkin' 'bout no other
but you you are my Lover
[background] uah uah
I wanna be together with you
you are my Lover
[background] You are my Lover
Thinkin' 'bout no other
