Wanna kick a load of dope jam for all the girls out there, yeah

Da da da da da da da  
Da da da da da da da  
Da da da da da da da  
Da da da da da da da

Some girls like it when you party all through the night  
Some girls like it when you're making them feel alright  
Some girls don't wanna fool with nobody at all, oh  
Some girls make you feel ten feet tall (ah yeah), oh  
yeah

But I like a girl who's pretty and fine  
The kinda girl that I can call mine, all mine  
Don't like a girl that always wants to fool around  
Out with every guy in town, that's why

Some girls, they always feel for real  
Some girls, they seem to know the deal  
Some girls, I just pass 'em by, yeah  
(Love injection give the girl satisfaction, yo)

Some girls like it when you're kissing them on the back  
(ce soir)  
But I know some girls that won't let you go for that  
Some girls say they wanna marry them a millionaire, oh  
And some girls you can find waiting there, oh  
(You can find them waiting there)  
But I like a girl who can keep her man strong  
So when it comes to love we can't go wrong  
Don't like a girl that always wants to make it right  
Without a fuss or a fight, that's why

Some girls, they always feel for real  
Some girls, they seem to know the deal  
Some girls, I just pass 'em by, yeah  
(Love injection give the girl satisfaction)

Ooh, gotta find me a lady, a sensitive woman  
Who can bring back the feeling that I feel for her

I know there's a lady who's out there for me  
I can give my all and she can leave that to me

Some girls, some girls, la-da-da da-da

Da da da da da da da  
Da da da da da da da (she feels good to me)  
Da da da da da da da  
Da da da da da da da

Some girls (some girls), some girls (some girls)  
Some girls (some girls), some girls (some girls)  
Some girls (some girls), some girls (some girls)  
Some girls (some girls), some girls (some girls)  
Some girls (some girls), some girls (some girls)  
Some girls (some girls), I just pass 'em by  
Some girls, some girls  
Some girls (love injection give the girl satisfaction)  
Some girls (love injection give the girl satisfaction)
