Hello everybody. How you feel out there? Native Vision presents the easy life for you

Easy life, you know what you want
I wonder how it can be true
You say, then there is no escape
That you wanna try to show me your way
Feel it forever, let's do it together
Just no matter, I'll take you to the easy life
Feel it forever, let's do it together
Just no matter, I'll take you to the easy life

Easy, easy, let me take you to the easy life Let's do it together Easy, easy, let me show you all the easy life Feel it forever. Easy easy, easy easy. Yeeeeeeeah
