Who says you can't mix aggression with a message of faith.  
Music is an expression, with that there's no debate.  
Why not sing of my faith, for it's what I live.  
If you want message of violence,  
I've got a one to give.

Violence & Bloodshed (4x)

Cold steel pierce through the hands,  
blood spouts from the flesh,  
hard wood rubs at the stripes from the whips to his back.  
Gravity pulls down the body, lungs gasp for air.  
Impaled and sentenced to die for the sins of man.

Violence & Bloodshed (4x)

Violence & Bloodshed, infliction & hurting,  
death & the suffering of man.  
For it is written no greater love exists than to lay down  
your life for a friend! (2x)

Is that violent enough for ya?

Why not sing of my faith, for it what I live.  
If you want message of violence,  
I've got a one to give.  
To those who try to mock us for that for which we do,  
We will never back down for we know our message is true.  
Screaming the ultimate music with real brutal truth  
And if you want aggression and violence  
I've got a message for you
