They have a picture of his majesty Rasta ( Yes iyah , Jah Live! )

and they have a picture of his majesty Dread ( Yes iyah , Jah is within I ! )

and they have a picture of his majesty Ras Is ( Yes-I ! )

In my house there's a picture on the wall, Rastafari sit upon his throne

In my house there's a picture on the wall, Rastafari sit upon his throne

He sit upon the seat of judgement (true,true)

With the red, gold and green wrapped around him, oh yeah

He sit upon the seat of justice (true,true)

Defending the poor and the weak and the fatherless

In my house there's a picture on the wall, Rastafari sit upon his throne

In my house there's a picture on the wall, Rastafari sit upon his throne

Jah ruleth all nations 'pon the earth, oh yeah (true,true)

The root of David, light of this world , oh yeah

His eyes as red as fire, my picture ain't no liar (true,true)

Beca' the whole world see and know

Rasta live for-I-ver more

In my house there's a picture on the wall, Rastafari sit upon his throne

In my house there's a picture on the wall, Rastafari sit upon his throne

Rasta live, Rasta live, Rasta live for-I-ver more
