Always be with you.}

{Oh yeah}

{Oh yeah}

Oh, baby, and how you make me feel like you do.

It's so cool, a lifetime's worse then waitin'

It's so good, baby, when you know a love that is true

It's so fine, that I just can't stop dancin'

[Hold]

{Tell me}

Baby tell me can ya feel it

Don't put up a fight

'Cuz destiny is waiting

In the starlight

[Chorous]

Baby if I had one wish

It would be to dance like this

And to hold you tight

All night

Always be with you

{Always be with you}

{Always be with you}

Try, baby, try and understand what I do

Don't you cry, 'cuz you're all I'm wishin' for baby

[Hold]

[Chorous x 2]

I would still dance with you

Baby if I had {yeah}

Baby if my wish came true {one wish}

I would still dance with you

[Chorous]

Baby if my wish came true {baby if my wish came true}

I would still dance with you

Baby if my wish came true {baby if my wish came true}

I would still dance with you

[Chorous x 3 to fade]
