Oh as far- as far as I remember  
You've been here- walking next to me  
Just a friend- I thought was all I needed  
Now I realise what a fool I've been  
Here I am- the greatest of pretenders  
Always looking- but too afraid to see  
That this feeling going on inside me  
Is a love that was always meant to be  
God I wish I was your lover  
Why did I have to wait  
Guess I'll always be the lover too late  
Chorus  
Every time I see you  
I'm aching- I'm breaking  
If only I could tell you  
You're more than a friend  
If only I could show you  
I love you forever  
We'd never be apart  
I could be the angel of your heart  
There you go- leaving with another

Days without you- so hard to contemplate

If I count every lonely waking hour

Will I always be the lover too late

Chorus

God I wish I was your lover

Why did I have to wait

Guess I'll always be the lover too late

Every timeâ€¦

Chorus to fade
