I never cared for simple words of tenderness
I never thought my life could be as sweet as this
But now I know, I want to spend it all with you, baby

I drive my car and think about you constantly
I lie awake and I want to feel you next to me
What can I do? - my life's only complete with you, baby
Oh don't you know

You are the one I treasure
A part of me forever

CHORUS:
And I'll be there with you
Whatever you do
With all of my heart I promise you
I'll be there with you
Just know that it's true
With all of my heart I'm there for you
Wherever I go - I'll be there
Whatever we're up against
Just know that I'll be there with you

You're like the sun that brightens up the darkest skies
The only one I'm seeing when I close my eyes
Oh can't you see, you'll never be alone again, baby
Don't you know

You are the one I treasure
A part of me forever

CHORUS

You're like the sunrise I've waited to see
A beautiful moment always with me
I've waited a lifetime only to be - be with you

CHORUS
