I never cared for simple words of tenderness

I never thought my life could be as sweet as this

But now I know I want to spend it all with you baby

I drive my car and think about you constantly

I lie awake and I want to feel you next to me

What can I do? my life's only complete with you baby

Oh don't you know

You are the one I treasure

A part of me forever

CHORUS:

And I'll be there with you

Whatever you do

With all of my heart I promise you

I'll be there with you

Just know that it's true

With all of my heart I'm there for you

Wherever I go - I'll be there

Whatever we're up against

Just know that I'll, be there with you

You're like the sun that brightens up the darkest skies

The only one I'm seeing when I close my eyes

Oh can't you see, you'll never be alone again, baby

Don't you know

You are the one I treasure

A part of me forever

CHORUS

You're like the sunrise I've waited to see

A beautiful moment always with me

I've waited a lifetime only to be - be with you

CHORUS
